**THE HISTORY** — *From Payoff to Power* is a candid, behind-the-scenes look at the privatization industry in Russia. The authors, who were part of the team that advised the Russian government on privatization, reveal the inner workings of the industry, from the initial sale of state-owned enterprises to the subsequent sale of the privatized enterprises to private investors.

**THE BOTTOM LINE** — *From Payoff to Power* is a must-read for anyone interested in the privatization industry in Russia. It provides a detailed and candid look at the industry, from the initial sale of state-owned enterprises to the subsequent sale of the privatized enterprises to private investors.
